Blue Acre Weddings

At Blue Acre Weddings we work with you to ensure your special day is everything you have dreamed of and more. We pride ourselves on being a unique, fully licensed picturesque outdoor venue with our wedding shepherds hut being the only one if its kind

Situated in the Conwy Valley on the edge of Snowdonia National Park with the glorious mountain range providing the perfect back drop for your big day. We have a large hardstanding area perfect for marquees of all shapes and sizes to accommodate smaller intimate weddings to larger weddings with sit down meals, music and dance floors. We do not have a minimum number of guests and can accommodate up to 150 guests.

Nestled underneath the trees we have a quaint, sweeping aisle underneath the festoon lighting surrounded by breath taking views of the valley. The perfect spot for a truly outdoor wedding.

Our packages

You can choose to have an intimate ceremony with a relaxed vibe afterwards focusing on the outdoors or you can have a marquee, sit down meal and entertainment. We have a list of recommended suppliers who can supply everything from food and drinks to entertainment and children's games.

The Day Package

This package is for weddings where everything can go up and down in a day. This does not mean it has to be a small wedding, just one with less suppliers and setting up. Both our packages include a wedding planner for guests over 50, this is so your day can run as smoothly as possible and you get the best advice and help where needed.

Weekend Hire

If your looking for something with a bit extra and want the full package on your big day then the weekend package is for you. The venue is hired from Friday afternoon until midday Monday. This allows suppliers enough time to organise and prepare for the big day. This package is perfect for marquees, sit down meals, dance floors, music and entertainment. We have a list of suppliers we can recommend who provide all of the above and more! Please remember we only hire the venue. The weekend packages all come with a dedicated wedding planner who will help guide you through the process and be there on your big day to make sure everything runs smoothly.

Accommodation

What makes our venue extra special is the range of accommodation we have on site.
We have a modern, luxury two bedroom cottage with breath taking views of the mountains as well as five person hot tub, outdoor sofa and bbq. Our bespoke shepherd huts offer a little bit of luxury to the glamping experience with memory foam mattresses, Tvs, wood burning hot tubs as well as outdoor seating and bbq's. Our new glamping tents are fully furnished with outdoor seating areas in a private spot overlooking the mountains.

We have a separate camping field along with hard standing areas for caravans and spotless facilities. It is possible to book the site exclusively, book part of the site or just book the venue itself. Please enquire directly about prices and availability.
